

Processing of personal data of competition participants YmpäristöPalvelut Tuominen Ltd.

YmpäristöPalvelut Tuominen Ltd. is part of the Finnish Riding Federation, which is an umbrella organization and sports association in Finland. YmpäristöPalvelut Tuominen Ltd. organizes competitions. For organizing competitions and producing and publishing results, YmpäristöPalvelut Tuominen Ltd. collects personal information.

Person in charge of YmpäristöPalvelut Tuominen Ltd. personal data processing: Eeva Lehtinen, tel. +358 44 3511 333/eeva@masterdressage.fi.

The riding competition is a paid service and participation forms an agreement between the participant and YmpäristöPalvelut Tuominen Ltd. YmpäristöPalvelut Tuominen Ltd. collects personal information of the participants whilst registering. YmpäristöPalvelut Tuominen Ltd. handles these data on the basis of competition events and provides competitive results based on them. The competition results will be published. Successful competitors can get different ranking and branding points. YmpäristöPalvelut Tuominen Ltd. supplies a list of riders and their points. This information will be added to SRL's ranking and branding point register.

Several different key figures are calculated from these registers; the register and its key figures are published several times a year.

Both the competition results and the ranking points register and its key figures can be published in any media, among others. local newspapers, national journals, Hippos magazine, websites of clubs and regions, and SRL's website.

For the competition, participants a name, a membership club and a membership number will be collected. For competition results, the participant information can include information about competition events; results of competition classes, rank in the competition and achieved ranking points.

The results of the competition and the ranking and branding point register document the competition history of SRL. Data will never be deleted.

The person has the following rights regarding to the processing of personal data related to the competition:

- 1) A person has the right to request information concerning himself or herself. These must be submitted within 30 days upon request.
- 2) The person has the right to request the update of any incorrect information.
- 3) A person has the right to demand the deletion of his / her data if the person has not registered or taken part in the competition.
- 4) A person has the right to appeal to the Supervisory Authority if he / she feels that his / her rights have been violated.
